Pastor's Corner:

This month has been unpredictable and exciting to say the least. There have been days that have been so warm (even hot) that it made me want to get out and do the things that spring affords. Many of the trees have begun to bloom in preparation for the summer months that lie ahead. I have seen daffodils blooming in yards as I travel the roads. Many other signs of spring can be seen if you take the time to look around. However, as I sit and write this morning, it is in the low to mid 20s with a heavy frost covering everything in sight. The trees that showed forth their blooms too early will be stunted in their growth as they experience frost bite and the cold that is yet to come. This is referred to by many as a "false spring". It is a period where the weather is warmer than normal and it deceives plants, vegetation and even animals to awaken from dormancy. It is a false hope.

I said that to say this - The world offers us many false hopes that in time will be proven wrong and even downright dangerous if we fall for them. The ways of the world and the flesh always have a side that appeals to our most primitive side. These things can seem harmless, even fun, but listen to what the writer of Hebrews says. **Hebrews 11:24-25 says that "By faith Moses, when he was come to years, refused to be called the son of Pharaoh's daughter; choosing rather to suffer affliction with the people of God, than to enjoy the pleasures of sin for a season."** It is not easy to do what is right. It is not easy to go against the grain. It is not easy to stand with God when all those around us are standing in opposition, but it is the right thing to do. Many times, we are asked to just compromise our beliefs. After all, times have changed. The Bible tells us in **Proverbs 14:12, "There is a way which seemeth right unto a man, but the end thereof are the ways of death."**

We need to make sure that our decisions and actions are based on God's Word and God's will, with the thoughts of eternity in mind. A short-lived pleasure is not worth the eternal consequences that lie ahead. When we are young it seems as though we will live forever, but with just a few short years removed, we begin to see that there is more life that has been lived than life that lies ahead to be lived. Live for God now, not for the pleasures of the flesh.

-Continued-

On a different note, this month we also had our Valentine's Day banquet, and what a tremendous time it was as we gathered for dinner, and may I say a show (and I use that term very liberally). The dinner was great. We had spaghetti with multiple crock-pots full of every kind of sauce you could possibly desire. The fellowship was great, as dinners always provide opportunity to sit and talk with others that you may not normally have to opportunity to get to know. Then there were the games, and if you missed the "womanless fashion show" well, I can say with much assurance, that there is little to no chance you will ever have that opportunity again. To all who planned and participated making this an extremely fun time, I just want to say thank you for your time and effort.

God Bless,
Pastor Robert

Parents' Night Out:

We had a great time last month seeing our kids as the prior month, we had to cancel due to sickness. We are looking forward to longer days of daylight so we can "hit" the playground and use lots of energy outdoors. Our lesson this month is from I Kings and continues with teaching about the kings of Israel, many of which were evil. We will learn about God's promises and how sovereign God really is. Invite the family of your neighbors and friends for Parents Night Out (ages 3-12) and Youth Night (ages 13-18) on Friday, March 4!

Daughters of the King:

Daughters of the King will look into the life of Ruth at our March 8th meeting at 6:00 PM.

Ruth is one of two women with a book of the Bible named after them.

Remember to bring a sandwich, salad, side snack, or sweet treat for our picnic on this evening. Our theme for this meal is "green." We always have good food and great fellowship as we open our hearts to one another and learn to love Jesus even more. All ladies are invited.

A Special Event:

A house warming drop-in will be on Sunday, March 6, from 3-5 PM for our Pastor and Karen. If you are looking for suggestions, they love Hobby Lobby, Home Goods, and Wayfair. They are also registered at Bed, Bath, and Beyond along with Target.

Daylight Saving Time begins this month:

Don't forget that Daylight Savings Time begins at 2:00 AM on Sunday, March 13. Remember to "spring forward" on Saturday evening.

Let's Celebrate!
